About Us

Doyle Hire Logistics provide a wide range of Hire & Contract Rental Services throughout the UK and Europe. Our carefully selected team of operations professionals have over 30 years of industry experience which guarantees that not only can we deliver specialist movements, but our customers always receive great service.

Our fleet contains a variety of Trucks to provide our customers with the best delivery, installation or removal process with ease and security. All of which are FORS approved and operate on an International O Licence.

Our diverse range of fleet enables our business to provide Machinery Hire and Contract Rental Services, Site Event Services, Power and Solar Lighting Products, Energy Storage Systems, Renewable Power Products, Fluid Storage Tanks, Dust Suppression Units, Hiab Crane Hire, Machinery Low Loaders, Heavy Haulage Transport and Abnormal Loads.

Our sister company, Doyle Machinery is one of the leading suppliers of recycling and materials processing equipment. We understand first-hand that flexibility and security are paramount in delivering goods to our clientele; therefore, we operate 24/7.
