# ■ Greentec wood chipper

JAGUAR 40 Highway suitable 6,5 tonnes

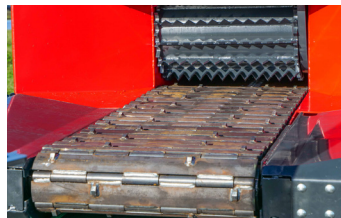

- Quick change knives are fitted as standard
- Chip grade unit is easily changed
- Upper infeed roller internally driven by heavy, low maintenance Poclair engines
- The large 430mm diameter top feedroller is very aggressive and powerful
- An optional infeed table makes chipping of brush and foliage very easy and efficient

Hydraulic swivelhead 270°

TG64 telescopic wood crane

Closed Hardox infeed chain covering the complete length of the infeedtable

Winch incl. radiocontrol

## Greentec JAGUAR 40

Infeed opening (mm)	400 x 600
Feed opening channel (mm)	420 x 600
Max. infeed softwood (mm)	Ø 400
Drum (mm)	Ø 600 x 600
Top roller (mm)	Ø 430
Chipper knives	4
Max. chip length (mm)	20

### Doosan D34 140 hp Stage 5

Combi infeed table for hand infeed and crane feed, hydraulic raisable

Chute hydraulic, slewing, up and down, deflector adjustment

## TG64T woodcrane

Reach (m)	6,4
Extension length (m)	1,75
Ligting moment gross (kNm)	39
Ligting moment netto (kNm)	28

### Remote control (GCS1.1)

- Deflector adjustment
- Chute rotation
- In/outfeed
- Roll open or extra down pressure
- Engine up/down
